EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone message with Mr. Jeffrey T. Helvey on 09/23/05.

The application has been amended as follows:

In claim 8, line 1 "Claim 7" was changed to --Claim 1--.

In claim 30, line 1 "Currently Amended" was changed to --Previously Presented--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Claims 1-5, 8-18, 20-23 and 25-30 are allowed.

Regarding claims 1, 14, 20 and 29, the prior art references, Kondo and Styryna after having all the limitations fail to teach that the series resistance is greater than a characteristic impedance of the transmission medium. Kondo teaches impedance of the transmission medium is increased by increasing the resistance of feedback resistors so that the impedance is adjusted to a predetermined value in order to reject transmitted leakage signals to a maximum amount. However, Kondo fails to teach a series resistance which is greater than a characteristic impedance of the transmission medium in order to reduce power consumption by cancellation of the transmitted signal at the hybrid output port. It is not obvious to modify the prior art references Kondo and Styryna to add this feature. Further, the addition of the series resistance

which is greater than a characteristic impedance of the transmission medium would have required substantial structural to Kondo and Styrna.

Claims 9-12, 21, 25-28 and 30 have already been allowed in the previous office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
